

Spring into

STEAM

at Colvin Run Mill

Science Meets History: Power

April 7 • 12-1 p.m. • \$10 | 7-10 years old

- Explore hydropower and wind power with hands-on activities.
- Observe the 19th century water-powered Colvin Run Mill
- Discover how engineers are using wind and waterpower today.
- Enjoy a tour of the mill.
- Adults accompanying children with the class must purchase a Mill in Motion ticket.

Engineering Then & Now:

May 19 • 12-3 p.m. | Ages 5+

- Observe Colvin Run Mill in operation.
- Discover historic and modern engineering.
- Enjoy hands-on activities and conversations with professional engineers and exhibits.
- Explore how today's engineers are building on the work of engineers of the past to solve problems in the present and future.
