This report is subject to Federal and Virginia Freedom of Information Acts. Panel members will maintain to the greatest extent possible under the law and in accordance with the Bylaws all sensitive and confidential information not intended for a public release.

Purpose

The Subcommittee Initial Review Report sets forth the Subcommittee's recommendation on whether the Complainant's allegation(s) meet the standard for review provided in the Panel's Bylaws. The Panel may accept or not accept the Subcommittee's recommendation on whether to review a complaint.

Findings

The Panel's review authority states in Article VI (A)(1) of its Bylaws: "The Panel shall review Investigations to ensure their thoroughness, completeness, accuracy, objectivity and impartiality where (1) the subject matter of an Investigation is an allegation of 'abuse of authority' or 'serious misconduct' by a FCPD officer, and (2) a Review Request is filed."

The subject matter of this investigation concerns allegations by the Complainant that officers of the Fairfax County Police Department (FCPD) violated policy/law when they destroyed evidence (i.e., pictures taken of her legs) when she went to the Sully District police station to file a report and that officers lied to her when they told her there were no pictures.

The Subcommittee finds that the subject matter of the investigation, as stated in the allegations, **(meets/does not meet)** the threshold requirement for "abuse of authority" and "serious misconduct."

Recommendation

The Subcommittee recommends that the Panel (**undertake/not undertake**) a review of CRP-21-22 because the complaint (**meets/does not meet**) the scope of review criteria set forth in its Bylaws.
